WHAT WE DO

HELPING NONPROFITS

United Way partners with 50 local highly effective nonprofits to help as many people as possible. This allows you to make an impact on those around you with a single contribution, supporting causes you care about. United Way connects us all, providing real impact on community issues through quality programs and services.

HELPING PEOPLE

Each year, one in three local people are helped through United Way. You help people learn, grow and achieve. You help people with everything from basic needs to getting a healthy start in life to living a life with dignity. All told, you help over 115,000 of your neighbors, friends, family and coworkers through United Way.

HELPING OUR COMMUNITIES

A gift to United Way of Central Washington is simply the most effective and efficient way to help thousands of people every year. When you make a donation, your dollars stay in your community to help with needs as varied as the people with those needs. Your generosity helps make Central Washington – Yakima and Kittitas Counties – a better place for all of us.

We are more than the fundraisers. We are the hand raisers. The game changers.

United Way of Central Washington fights for the health, education and financial stability of every person in our community.

We bring our community together to stare down the big problems because change doesn't happen alone. Hope isn't a one-man band. We have one life.

To live better, we must

WHAT YOU CAN DO

DONATE

Every dollar counts. When you join with many people from all walks of life to make a donation – even a small one – your contribution makes a big difference in the community.

You can direct your contribution to education, income or health – or support all three. As always, you can direct your contribution to a qualified 501(c)3 organization.

VOLUNTEER

Even one hour of your time improves lives and moves the needle on core issues that affect everyone. And it's fun! Visit www.uwcw.org/volunteer for a list of local volunteer opportunities.

Whether you choose to donate or volunteer – or do both – you can make a difference right here.
